BCU 3 Star Sea Kayak Training

With Steve Banks

Overview: This is a completely new award which recognises the differing needs of sea kayakers from other kayaking disciplines. As with the other updated 3 star courses, the emphasis of this 2 day course will now be on demonstrating applied skills in context rather than technical elements tested in a benign setting. 3 Star is a prerequisite for 4 Star training.

Content: The course will cover personal paddling, safety & rescue skills, group leadership skills and appropriate theory. Please go to the BCU website for comprehensive information.

This course will not be taught by rote, rather it will be delivered in Steve's usual highly practical, learner centred manner designed to make you think about everything you do.

Prerequisites: Trainees should be able to demonstrate a consistent 2 star kayak standard of performance as a minimum.

Venue: Local Cumbrian venues, with wind up to Force 3, will be used for practical work. Bespoke courses can be run anywhere.

Date and Cost: As advertised

Course timings: 9am until approximately 5pm

Equipment: Please bring any sea kayaking equipment you have, including your own boat. If unsure please phone to check. Bring food, drink, a change of clothes and a towel.

If you have any questions concerning this provision please do not hesitate to contact Steve who will be happy to assist and advise you.

Due to high staff/student ratios and the highly disruptive effect of late withdrawals, any course cancelled within 30 days of the start will incur loss of all fees. If you have any concerns regarding your ability to participate in a course on which you have enrolled you are strongly advised to take out appropriate insurance. Steve Banks Outdoors is not in a position to indemnify clients against any illness, injury or other misfortune which may affect attendance. If a course has to be cancelled a full refund will be given.
